Local Rule 56.01 Statement

All attorneys are required to read the undersigned's opinion in *McLemore v. Gumucio*, No. 3:19-cv-00530, 2021 WL 2400411 (M.D. Tenn. June 11, 2021), regarding what should (or should not) be included in the summary judgment movant's "statement of material facts as to which the movant contends there is no genuine issue for trial" required by Local Rule 56.01(b). Any party moving for summary judgment or responding to a motion for summary judgment is expected to follow the guidance set forth in the *McLemore* opinion. This requirement is intended to, and should, redound to the benefit of the parties and the Court by increasing the likelihood that all involved will correctly identify and address issues that truly are ones of material fact.

Motions in Limine and Objections to Experts

By **March 20, 2023**, the parties shall file any motions in limine and any motions objecting to expert testimony. Any responses to such motions shall be filed by **March 27, 2023**.

Information Exchanged but Not Filed

By **March 20, 2023**, the parties shall identify for one another their respective exhibits and make available for examination by any opposing party the original of all exhibits. The parties also shall exchange copies of items identified as exhibits; this requirement is not satisfied by a party merely because it previously produced a copy of the item in discovery, but rather requires a party (absent contrary agreement between the parties) to separately produce a copy of the item in conjunction with specifically identifying the item as a trial exhibit. By this same date, the parties shall exchange designations of portions of depositions to be read into evidence during the case in chief. The parties should attempt to agree on additions to the designations necessary to put responses into context.

Discovery

Expert witness disclosures shall be made timely, in accordance with Local Rule 39.01(c)(5)(C). Supplemental responses to interrogatories, requests for production and requests for admissions shall be made timely in accordance with Local Rules 39.01(e). Objections to the use of a deposition at trial shall be made timely in accordance with Local Rule 39.01(c)(4). The Court may exclude evidence, or order other sanctions, for violation of a duty or deadline to make or supplement expert witness disclosures or discovery responses.

Employment Discrimination Damages

In addition, the parties shall file briefs, on or before **March 27, 2023**, on what damages are recoverable in this action.

Pretrial Conference

Counsel shall be prepared, at the Pretrial Conference, to:

- (1) identify and discuss undisputed facts and issues;
- (2) discuss the status of discovery;
- (3) discuss any demonstrative aids to be used during opening statements;
- (4) preview proposed testimony;

- (6) preview proposed exhibits;
